

# *Exclusivity at its utmost*

*A wedding at Scorrer is  
exclusivity at its utmost.  
Four hundred acres of  
countryside and historic  
garden ensure privacy for  
a very special day.*

## An exclusive Cornish estate

Set in 450 acres of woods, parkland and beautiful flower-filled gardens, Scorrier House is a picture-perfect venue for weddings, private parties, corporate functions, product launches or open air events.

Built in 1778 by our ancestor John Williams who made his fortune from the local mining industry, Scorrier estate has passed through seven subsequent generations and is still our much-loved family home. Famous visitors in the past have included two future kings of France.

Situated just a few miles from stunning local beaches and breathtaking coastal walks, Scorrier is perfectly positioned for making the most of west and mid Cornwall. Exclusivity and absolute privacy are both guaranteed and, unlike many hotels, we offer a genuinely personal service.

Scorrier is very special to us and we'll do all that we can to make it your special place too.

## Weddings and receptions

We are licensed for weddings which can take place in a romantic gazebo surrounded by lawns, flowers and some wonderful rare shrubs and trees or on our sweeping Grand Hall staircase. Inside, there is room to seat up to 120 friends and family together whilst our Drawing Room, Blue Library and Conservatory provide additional space to dance, chat or relax.

We are very happy for you to decorate each room as you wish and can help you choose from our list of carefully selected caterers who use our professional kitchens. We can provide a bar, up to 100 chairs, trestle tables, outdoor furniture and outdoor lighting. There is space for a marquee, guests have full access to the gardens and a bridal suite is available in the main house. There is also extra accommodation for up to ten overnight guests in the Stable House which has a large kitchen\dining room and five en-suite bedrooms.

Photography is an important part of making a wedding memorable and our gardens – with their lovely mixture of well-stocked herbaceous beds, old walls covered in roses and camellias, Chilean myrtles, magnificent rhododendrons and natural wildflower areas – will not disappoint as a backdrop. Inside the house, there are plenty of exceptional backgrounds to choose from too.

*A wedding should be a time of love, joy and togetherness. Let us do the hard work whilst you enjoy the occasion.*

## Conferences and meetings

Scorrier House can be exclusively hired for conferences, meetings, corporate entertaining and product launches. Located just a short drive from the A30 and the main west coast train line, we are easily accessible - yet private enough to guarantee lots of peace and quiet.

We have capacity for 160 people in the house – with seating for 120 in the Grand Hall and plenty of additional space for seminars or breakout sessions in the Drawing Room and Blue Library. There is ample car parking space and our ten acres of gardens can be used for problem-solving exercises, other activities as required or simple relaxation.

Catering and business equipment can be arranged on request and on site accommodation is available for up to twelve people.

## Filming and photography

An historic house with majestic sweeping staircase, large, airy rooms, antique furniture and interesting artefacts - plus ten acres of gardens, 450 acres of parkland and woods and an old cobbled stable yard - Scorrier estate is a versatile, visual delight.

We have worked with film companies before and would be happy to discuss your requirements.

## Private parties and open air events

From vintage car rallies to charity fundraisers, anniversaries and special celebrations, we have the space, facilities and location to make your event a real success.

Whether you want to hire a couple of rooms for that very special party or you're planning something on a much bigger scale, come and talk to us. We're very flexible and will always do our best to turn ideas into reality.

## Accommodation

We have a private suite in the main house and additional self-catering accommodation for up to ten people in our recently refurbished Stable House.
